RISE Infinity Foundation

Partner for Purpose, Progress and Peace

About RISE Infinity Foundation

RISE Infinity Foundation (RIF) is a trust founded in 2014 with the mission to strengthen individuals and institutions to think different and act together for a shared world built on positive lives and peaceful societies. Guided by the RISE values - Responsible, Inclusive, Sustainable, and Eco-system friendly - RIF works directly with communities to address vulnerability, poverty, health, and environmental challenges.

Founded: 2014 | **Headquarters:** Mumbai, India | **Focus:** Community-driven development

Our Mission & Approach

Core Mission

To strengthen individuals and institutions to think different and act together for a shared world built on positive lives and peaceful societies through community-driven, participatory development approaches.

RISE Values Framework

- **Responsible:** Ethical practices and accountability in all interventions
- **Inclusive:** Participatory approach ensuring equity and representation
- **Sustainable:** Long-term impact with environmental consciousness
- **Eco-system friendly:** Collaborative partnerships and systems thinking

Core Focus Areas

Health & Nutrition

- Maternal and child health programs addressing malnutrition and healthcare access

- Community-based health camps and medical assistance programs
- Nutrition advocacy and behavior change communication
- Healthcare support for economically disadvantaged communities

Education & Skill Development

- RISE Citizenship programs in schools promoting civic engagement
- Financial literacy and life skills training for youth and adults
- Skill development for migrant workers and marginalized communities
- Government scheme awareness and benefits access facilitation

Disaster Response & Management

- Comprehensive emergency response coordination and service delivery
- Crisis management systems for vulnerable populations
- Community resilience building and disaster preparedness training
- Multi-agency platform management during emergencies

Women Empowerment & Livelihoods

- Self-Help Group (SHG) training and capacity building
- Women entrepreneur support and economic empowerment
- Employment assistance and job placement services
- Skills training across various sectors for sustainable livelihoods

Environment & Climate Action

- Waste management and recycling initiatives at community level
- Environmental conservation and sustainability awareness programs
- Climate action advocacy and community-based adaptation
- Water resource management and conservation projects

Key Programs & Achievements

MahaPECOnet COVID-19 Response (2020-2022)

- **Secretariat role** for UNICEF Maharashtra's emergency response platform
- **1.9 million beneficiaries** reached across all 36 districts of Maharashtra
- **120+ partner organizations** coordinated through integrated network
- **Comprehensive services:** Food distribution, medical supplies, vaccination support, employment assistance
- **Geographic coverage:** 123+ villages, 1,723 urban localities, focus on tribal and marginalized communities

Jeevan Rath Program - Multi-Phase Disaster Response

- **Phase 1.0:** Emergency food distribution and immediate relief
- **Phase 2.0:** Travel assistance and crisis management for 70,000 migrants
- **Phase 3.0:** Recovery and rehabilitation with livelihood restoration
- **Innovation:** Technology-enabled tracking and virtual coordination systems
- **Impact:** Comprehensive support during COVID-19 crisis with sustained follow-up

Community Health & Nutrition Programs

- **Healthcare camps:** Blood tests and health awareness for disadvantaged women
- **Medical aid:** Surgical care support and critical treatment assistance
- **Nutritious meal programs:** Partnership with Bal Asha Trust for children
- **Community health initiatives:** Preventive healthcare and wellness promotion

Education & Capacity Building

- **Skill development:** 300+ youth from migrant families trained post-COVID
- **SHG training:** 127+ women beneficiaries in financial literacy and entrepreneurship
- **Government scheme awareness:** Benefits access facilitation for vulnerable communities
- **Personality development:** Training programs building individual confidence and capabilities

Geographic Presence & Community Reach

Primary Operating Regions

- **Maharashtra:** Comprehensive coverage across 36 districts with deep community presence
- **Mumbai Metropolitan Region:** Urban slum communities and marginalized populations
- **Tribal Areas:** Nandurbar, Aurangabad, Gondia with culturally sensitive programming
- **24 States:** Pan-India reach through partnerships and collaborative programs

Community Engagement

- **123+ villages** with direct program implementation and community ownership
- **Tribal communities:** Specialized programs respecting indigenous customs and practices
- **Urban slums:** Focused interventions in Mumbai, Pune, Thane, and satellite cities
- **Migrant populations:** Support systems along major migration corridors

Impact Metrics

- **1.9 million people** directly reached during COVID-19 emergency response
- **15,000+ individuals** served through regular health and nutrition programs
- **5,000+ students** engaged in education and civic participation initiatives
- **1,000+ women** directly benefited through empowerment and livelihood programs

Partnerships & Collaborations

Government Partnerships

- **UNICEF Maharashtra:** Multi-year partnership as MahaPECOnet secretariat
- **Maharashtra Government:** Collaboration with Public Health Department, Women & Child Development
- **Municipal Corporations:** Mumbai (MCGM), Pune (PMC), Pimpri Chinchwad for urban programs

- **State Disaster Management Authority:** Emergency response coordination and planning

Corporate & Foundation Partners

- **Glenmark Foundation:** Nutrition program partnerships and health initiatives
- **Healthcare partnerships:** Medical equipment supply and healthcare infrastructure support
- **Technology collaborations:** Digital platform development and mobile application services
- **Financial services:** Banking partnerships for financial inclusion and microfinance programs

NGO & Community Networks

- **MahaPECOnet platform:** 120+ partner organizations across Maharashtra
- **300+ volunteers** for on-ground program implementation and community engagement
- **Community-based organizations:** Direct partnerships with local groups and traditional leaders
- **Academic institutions:** Research and student engagement programs

Innovation & Technology Integration

Digital Solutions

- **Crisis Management Center:** Virtual coordination platform with real-time tracking
- **Mobile applications:** Beneficiary enrollment, service delivery, and progress monitoring
- **Distribution mapping:** Geo-mapped visualization of program activities and impact areas
- **Communication platforms:** Multi-language awareness campaigns and community engagement

Community-Centric Approaches

- **Participatory program design:** Community involvement in planning and implementation
- **Local volunteer networks:** Building indigenous capacity for sustained program delivery
- **Cultural sensitivity:** Adapting programs to local customs, languages, and social structures
- **Traditional knowledge integration:** Combining modern approaches with indigenous wisdom

Organizational Structure & Leadership

Leadership Team

- **Karon Shaiva:** Managing Trustee & Founder - Social entrepreneur with 30+ years experience
- **Ankush Singh**: Chief Development Officer – Multi-sectoral experience of more than 16+ years
- **Hema Ganachari:** Head Partnerships - MBA Finance, extensive NGO network development experience
- **Walter Vieira:** Trustee - International marketing expert with global business experience
- **Carol Andrade:** Trustee - Journalism veteran with media and communication expertise

Governance & Operations

- **Board of Trustees:** Strategic oversight and policy guidance
- **Management Team:** Day-to-day operations and program implementation
- **Volunteer Network:** 300+ active volunteers across programs and geographies
- **Community Liaisons:** Local representatives ensuring cultural appropriateness and community ownership

Financial Management & Sustainability

Revenue Streams

- **Government grants:** State and central government program funding
- **Corporate CSR partnerships:** Long-term foundation and corporate collaborations
- **International funding:** UN agencies and bilateral donor support
- **Individual donations:** Community and supporter contributions

Financial Transparency

- **80G and 12A Registration:** Tax exemption certificates for donor benefits
- **Regular audits:** Compliance and transparency maintenance
- **Impact reporting:** Annual documentation of program outcomes and financial utilization

- **Ethical standards:** Adherence to institutional guidelines and donor requirements

Awards & Recognition

Organizational Recognition

- **UNICEF Partnership:** Recognition as reliable implementing partner for emergency response
- **Government awards:** State-level recognition for COVID-19 response effectiveness
- **Media coverage:** National and regional features for innovative community programming

Leadership Recognition

- **Karon Shaiva:** Featured in "Chicken Soup for Indian Women's Soul" as social entrepreneur
- **International platforms:** Speaker at global conferences and development forums
- **Social innovation awards:** Recognition for community-centric development approaches

Unique Value Proposition

Community-Driven Approach

- **Participatory development:** Communities as partners, not beneficiaries
- **Cultural sensitivity:** Deep respect for local customs, languages, and social structures
- **Sustainable engagement:** Building local capacity for long-term program continuation
- **Inclusive programming:** Ensuring representation of marginalized groups and voices

Emergency Response Expertise

- **Rapid deployment capability:** Quick mobilization during disasters and emergencies
- **Multi-agency coordination:** Proven systems for managing complex partnership networks
- **Technology integration:** Digital solutions enhancing response effectiveness and efficiency
- **Vulnerable population focus:** Specialized attention to women, children, elderly, and disabled

Proven Impact

- **Large-scale reach:** Demonstrated capacity to serve millions while maintaining quality
- **Measurable outcomes:** Comprehensive monitoring and evaluation systems
- **Sustainable partnerships:** Long-term relationships with government, corporate, and community partners
- **Replicable models:** Frameworks adaptable across different contexts and geographies
